Authentic Thai Cooking

Welcome to Sara Thai Restaurant

Dear Customers,

We cordially invite you to enjoy an adventure of some of our Thai spices and exotic herbs. We prepare our food in order to insure its freshness. Some orders could take longer than others so we appreciate your patience. All of our dishes can be prepared without M.S.G. on request only. Dishes printed in red are spicy and hot, however we can adjust any of them for you as mild as you wish or as spicy as you dare. Please let us know about any food allergies so that we can accommodate.

We hope you enjoy your visit and our cooking.
Your comments and suggestions are greatly appreciated.
